Where BUYERS and SELLERS Meet

TO MOST EFFECTIVELY REACH THE man who will buy or rent your property you must first reach his family.

Looking through real estate advertising columns of the Boston Evening Transcript is the procedure invariably followed by Transcript families and readers before making a decision of home buying.

They consult the Transcript first because of its reputation for carrying a splendid list of advertisements of really good properties.

The Transcript is a newspaper with a particular appeal to each member of the family and is read by them all. For nearly ninety-seven years it has carried the standard for clean journalism, accurate financial news, special educational features and trustworthy advertising.

Transcript readers buy houses ranging in size from the smallest cottage to the largest estate. They appreciate good values and they have the means to take advantage of good opportunities.

Agents wishing to meet a buyer or seller of desirable Property will find the Transcript's Real Estate advertising columns a "Top-Notch" means of getting together quickly.

Boston Real Estate Exchange

The Boston Real Estate Exchange takes an active interest in all matters affecting real estate, and allies those connected therewith, whether as owner, trustee, mortgagee, lessee, insurer, builder, agent, broker, or otherwise, for the protection of the community and the advancement of its great real estate interests. Its activities are not merely local but State and National in their scope, through its membership in the Massachusetts Association of Real Estate Boards and the National Association of Real Estate Boards. It is the only organization in Boston having these affiliations or eligible thereto. Most real estate brokers of prominence in Metropolitan Boston and many in other parts of the State and owners and tenants representing a large part of the real estate valuation of the City of Boston subscribe to and endorse the work of the Exchange through membership therein.

The Exchange aims to strengthen the important business of real estate brokerage by promoting high standards of business dealings and by encouraging a valuable "esprit de corps" and good fellowship among its members through co-operative work for common interests. It is one of the oldest of the many similar real estate bodies in the country, it leads in service, direct and indirect, to its members and to the public, and its affairs have always been carefully and conservatively administered by a Board of Directors composed of men prominent in the varied interests represented.

The Brokers Board is composed of members of the Exchange who are regularly engaged in business as Real Estate Brokers. The Board holds regular meetings and discusses matters relating directly to the Real Estate Brokerage business and may recommend action by the Exchange to improve the standards and advance the interests of Real Estate Brokers.

The Building Owners and Managers Association is composed of members of the Exchange who are owners or interested in the management of real estate and such persons in their offices or in their employ as may be designated to attend meetings, but not to vote. The Association investigates and discusses subjects of interest to owners and building managers and is affiliated with the National Association of Building Owners and Managers.

Arbitration. The by-laws of the Exchange provide that a difference between members or between a member and a non-member may be referred to the Arbitration Committee, and members are required to abide by its decision. Records are kept of all hearings.

Appraisals. There is a committee of experts to examine and appraise the value of real estate. The charge for this service is based on the value of the property and certificates of valuation are issued by the Exchange.

Legislation. The many bills brought annually before our Legislature are examined by our Legislative Committee, and the more important of those affecting real estate are favored or opposed according to their merits. Special counsel is employed when such action seems warranted and desirable.

Book of Assessed Values. The Exchange publishes yearly, for distribution to all members without charge, the book of "Assessed Values of Real Estate in Boston" covering the City Proper, Back Bay, the Warehouse district of South Boston, the Fenway district of Roxbury, and part of Brighton and Brookline.

Assessors' Valuations. The Exchange makes a complete copy of the valuations of all real estate in Boston, as compiled each year by the City Assessors. Its files contain all such valuations since 1889 and may be consulted without delay by telephone or in person.

Suffolk County Transfers. The Exchange receives each morning from the Suffolk Registry of Deeds a summary of all the real estate transfers in Suffolk County recorded the previous day. It has files of such transfers since 1890.

Card Catalogue of Transfers. The Exchange keeps a card catalogue, under street and city district headings, of transfers of real estate in Boston, enabling members to follow changes of ownership and the character and number of city transfers since January 1, 1906.

Rates of Brokers' Commissions. The Exchange rates of commissions are determined by the Directors after recommendations have been made by a committee composed of owners, operators and brokers and form the recognized scale of charges for the various services rendered by real estate brokers and agents in Boston and its suburbs. Large schedules of these rates are issued to members for office use during membership.

Bulletin. The Exchange issues to its members monthly the Boston Real Estate Exchange Bulletin, which contains articles of real estate information in concise form.

Contract of Sale. An improved form of contract, or agreement, for the sale of real estate has been prepared by the Exchange for use of members only, with imprint of name and office if desired.

Short Forms of Deeds. Statute forms of Warranty, Quitclaim and Mortgage Deeds, for use of members may be obtained at the Exchange.

Exclusive Agency Contract. A form for use of members only has been prepared by the Brokers Board and approved by the Directors. Copies may be obtained at the Exchange.

Atlases and Maps. Standard atlases and maps, issued since 1890, of Boston, cities and towns of the Metropolitan district, North and South Shores, and late atlases of Newport, Manhattan and Bronx Boroughs, etc., are at the service of members. As brokers usually require in their business only a few of the many atlases issued, but may wish to consult all of them occasionally, membership in the Exchange saves unnecessary outlay for such publications.

Exchange Library. The collection of real estate publications made during the past twenty years, including a large number of the latest real estate text books, forms a useful library of reference both for real estate brokers and owners. City and town reports of Metropolitan Boston communities, of the various City and State Commissions whose work relates to real estate interests, census reports, etc., are at the service of the members.

The Exchange Auction Room is large, well lighted and convenient for sales of real estate, foreclosures of mortgages, stocks, etc., by auctioneer members of the Exchange, and the Exchange fees for sales are extremely moderate. The room may be used by members and others for meetings and hearings.

File of Advertisers. In accordance with an agreement made with the various firms in the building trades who have taken space in the "Book of Assessed Values of Real Estate in Boston," the Exchange maintains a file wherein each advertiser is listed according to the trade he represents and members use this file when desiring work done in the respective lines.

Employment. Members wishing to add to their sales or office force can refer to the cards filled out by applicants for positions which the Exchange keeps on file.

Notary Public. The services of a Notary Public may be had free of charge.

Realtor. The Exchange through its membership in the National Association of Real Estate Boards licenses its active members to use the word "Realtor." Realtors are real estate brokers or agents who are active members of a local Real Estate Board which is connected with the National Association of Real Estate Boards. They are licensed to use this designation by the National Association, whose exclusive right to the use of the term has been upheld by the Courts.

Annual Dues. Active members (Realtors), fifty dollars; constituent members, fifty dollars; active suburban members (Realtors), thirty dollars; associate members, twenty-five dollars; active non-resident members (Realtors), twenty dollars; non-resident members, fifteen dollars. Active and constituent members pay an admission fee of fifty dollars.

For information regarding the Exchange or its membership, apply to the Executive-Secretary, 7 Water Street.

RULES AND REGULATIONS

Governing Membership in the Exchange— Penalties for Infractions— Committee on Discipline

Whereas one of the purposes of the Boston Real Estate Exchange is the promotion of standards of conduct among its members which shall protect the public dealing in real estate from unfair and fraudulent practices and maintain among the members of the Exchange in their dealings with each other such relations as shall benefit the whole body; and

Whereas departures from such standards react upon the good name of the Exchange, curtail its influence, and injure all its members; and

Whereas the by-laws of the Exchange provide that the Directors

"shall adopt such rules and regulations as they may deem expedient for admission to and continuance of membership in the Exchange, and for the good order, comfort, and convenience of the members, and prescribe and enforce penalties for violation thereof. They may suspend or expel from membership in the Exchange any member guilty of any act which may be determined by them to be detrimental to the interest or welfare of the Exchange;"

it is

Resolved: That the Directors hereby adopt the following as

Rules and Regulations

I. Every member shall register with the Secretary an address, and subsequent changes thereof, where notices may be served. Notices to a member required by these rules and regulations shall be sufficient if delivered to him in person or if sent by registered mail to such address last registered or to his address appearing on the records of the Exchange if he shall have failed to register.

II. A standing committee of five members, to be known as the Committee on Discipline, shall be constituted as follows: a member who shall be chairman, appointed by the President of the Exchange from the general membership of the Exchange; the chairman of the Arbitration Committee; a member of the Arbitration Committee selected by the chairman of the Arbitration Committee; the chairman of the Brokers' Board, and the chairman of the Building Owners' and Managers' Association. In case any member of the Committee on Discipline is for any reason unable to serve, the President of the Exchange shall appoint from the general membership of the Exchange, the Arbitration Committee, the Brokers' Board, or the Building Owners' and Managers' Association, according to the body represented by the member unable to serve, a substitute to act in that member's stead. Action of the Committee on Discipline shall be determined by vote of a majority of the committee, consisting of the members and substitutes then acting.

III. The Code of Ethics of the National Association of Real Estate Boards is a part of these Rules and Regulations.

IV. A member who shall be adjudged by a two-thirds vote of all the Directors to be guilty of:

- (1) acting dishonestly or fraudulently in relation to a client, customer, beneficiary, or another member;
 - (2) advertising in such manner as to mislead or deceive;
 - (3) violating any provision of the Code of Ethics applicable to him, heretofore or hereafter adopted;
 - (4) conduct tending to foment discord in the Exchange or to discredit the Exchange before the public or to be detrimental to the interest or welfare of the Exchange; or
 - (5) violating any by-law, rule or regulation of the Exchange;
- shall be suspended or expelled from membership in the Exchange as the Directors shall determine that the merits of the case and the interest or welfare of the Exchange require.

V. In the event that any complaint, oral or written, be made to the Exchange or to an officer, accusing a member of any of the offenses specified in Rule IV, it shall be the duty of the officer receiving the complaint, to refer or report the matter forthwith to the chairman of the Arbitration Committee. The chairman of the Arbitration Committee thereupon shall appoint a sub-committee consisting of three members of his committee, who shall make a preliminary inquiry into the sources and grounds of the accusation. If in the opinion of a majority of this sub-committee the facts disclosed probably warrant further action by the Exchange, the sub-committee shall lodge with the Secretary of the Exchange and with the chairman of the Committee on Discipline a formal complaint against the accused member, specifying the charge or charges in reasonable detail. No member shall be considered complained of unless such formal complaint against him shall have been so lodged.

The Secretary shall give notice of the complaint with a copy of the charges to the accused member, who shall have ten days from the date of giving or mailing the notice in which to answer the charges, or such further time as the Committee on Discipline in its discretion may deem proper. The member's answer shall be in writing signed by him and filed with the Secretary. Upon the answer being filed, or if the accused member shall refuse or neglect to make answer as above required, the Committee on Discipline shall proceed with reasonable dispatch to consider the charges. The accused member shall be notified of a meeting of the committee at which he will be entitled personally to attend to present such testimony, defense or explanation as he may deem proper, and to examine all the witnesses produced before the committee.

After hearing the witnesses, and the accused member if he desires to be heard, the Committee on Discipline shall make a written report to the Directors containing its findings and its recommendations.

The Directors shall consider the report of the Committee on Discipline and such other evidence as the Directors consider necessary for a just decision. The accused member shall be notified of a meeting of the Directors at which the report will be presented and he shall be invited to attend the meeting and be heard in person. At the meetings of the Directors at which the report is considered, a member of the Committee on Discipline designated by that committee shall be present to give such further information as the Directors require. At the meeting of the Directors held to hear the report or at some later meeting within thirty days thereafter the Directors shall determine what action, if any, shall be taken upon the complaint and charges and upon the report, and what penalty, if any, shall be imposed. They may refer the complaint back to the Committee on Discipline for further report.

No member shall act on such sub-committee or committee or on the Board of Directors in the investigation or hearing of a case involving himself or a partner or employee.

VI. The Directors may by a two-thirds vote of the directors present require that a member of the Exchange shall submit to the Directors or to any standing or special committee, for examination, such portion of his books and papers as are material and relevant to any complaint under investigation. Any member who shall refuse or neglect to comply with such requirement or shall wilfully destroy such required evidence, or who, being duly notified to appear, shall refuse or neglect to appear before the Directors or any standing or special committee as a witness, or so appearing shall refuse to testify, may be adjudged guilty of an act detrimental to the interest or welfare of the Exchange and suspended or expelled from membership in the Exchange by a two-thirds vote of all the directors, and the method of procedure prescribed in Rule V shall not apply.

VII. A member who shall be adjudged by the Directors to be in default in the punctual payment when due of any obligations to the Exchange other than admission or annual membership fees, may be suspended or expelled from membership in the Exchange, as the Directors shall determine by a two-thirds vote of the directors present, and the method of procedure prescribed in Rule V shall not apply.

VIII. No member shall be allowed to be represented by professional counsel in any investigation or hearing before the Directors or any standing or special committee or sub-committee.

IX. When a member is expelled, all his rights and privileges as a member of the Exchange and in and to the property of the Exchange shall cease, and when a member is suspended he shall be deprived of them during the period of his suspension, whether the member is a stockholder or not; provided, however, his expulsion or suspension shall not deprive him of any preferred stock held by him. The expulsion or suspension shall be announced publicly to the members of the Exchange in the Bulletin.

X. These Rules and Regulations may be added to, amended or repealed by the Directors. Nothing contained in them shall be taken to abridge the authority of the Directors to adopt such other rules and regulations as they may deem expedient for admission to and continuance of membership in the Exchange and for the good order, comfort and convenience of the members and to prescribe and enforce penalties for violations thereof; nor shall anything herein be taken to abridge the authority of the directors to suspend or expel from membership in the Exchange any member guilty of any act which may be determined by them to be detrimental to the interest or welfare of the Exchange, or their authority to take such action as they shall determine the interest or welfare of the Exchange requires. Except so far only as they are inconsistent herewith, no existing rules, regulations and standing orders are repealed hereby.

Auction Sales

The publicity attendant upon an auction sale of real estate, especially if it is a foreclosure sale, usually has an unfavorable effect upon property if it is held upon the premises. It disturbs the tenants, causing unrest, and advertises to the world the lack of buyers. The auction room of the Boston Real Estate Exchange is a legal place for holding all auction sales, including foreclosure sales, and has been used a great deal by mortgagees in order to avoid the probable sentimental damage to a property by a foreclosure sale on the premises.

In drawing a mortgage deed provide for an optional sale in the Exchange Auction Room. The Exchange will be glad to be of assistance if desired.

Members are reminded of the fact that section 4 of our Charter, issued in March, 1889, provides "Any Court of Law or Equity and any Court of Probate and Insolvency of this Commonwealth, may by decree or otherwise, direct any or all sales of real estate or personal property ordered to be sold by such court, to be held at the salesroom of said corporation."

Taxes Paid by Lessees

Taxes on leased premises to be paid by Lessees shall be treated as part of the rent on which brokers' commissions are chargeable, using the taxes for the current year when ascertainable, otherwise those for the previous year, as a basis. In case of leased premises not previously assessed, the taxes may be estimated or the assessment thereof awaited.

Long Term Leases

On a lease for a term of more than 21 years, the commission shall be computed on the first 21 years of the term only.

Sales Options in Leases

In case of a lease containing an option to purchase, the broker is entitled in any event to a commission, as herein provided, for negotiating the lease. If the option to purchase is exercised, the broker is then entitled to receive from the original lessor an additional commission, if any be necessary, to make the total commissions equal a commission on the sale plus a commission on the lease up to the time of the transfer of title.

Renewals of Leases

When a broker is employed to renew a lease, he is entitled to a full commission if the lease is renewed with an increase of rent, or to a half commission if renewed without increase of rent.

Extensions of Leases

When a right to extend a lease, as provided therein, is exercised, the broker who negotiated the lease is entitled to receive from the original lessor a commission on such extension; but the total commissions on lease and extensions shall not exceed the amount chargeable for both considered as one term.

Sale of Lease, Good-Will or Personal Property

The broker is entitled to a commission of 5% of the amount paid therefor, in addition to a regular commission on the lease.

Payments for Options

In case of option not availed of, the broker is entitled to receive one-half of the amount paid for the option, or one-half of a regular commission on the proposed transaction, whichever is the lesser.

Boston Real Estate Exchange Auctioneers' Fees

Adopted by the Directors, December 12, 1924

Sales at Auction: The scheduled rates on sales shall apply, with the following modifications:

The expense of Maps, Advertising and Sales Room Fees shall be authorized by and paid by the seller.

An auctioneer shall be entitled to the same fee on real estate advertised to be sold by him, if sold or withdrawn by the owner previous to the advertised time of sale, as if sold at auction.

Foreclosure or other Legal Sales when the property is bid in by the parties in interest:

In "Boston Proper" or "Suburbs" as defined in the "Schedule of Brokers' Commissions".....Minimum \$25

Outside of "Suburbs," as defined in the "Schedule of Brokers' Commissions".....Minimum \$25 plus reasonable expenses

Postponement, adjournment, or continuation after engagement of auctioneer (if not caused by the auctioneer) in each case \$25

Sales of Personal Property at Auction, 10%.....Minimum \$25

Commissions on Factory Property

The Schedule of Brokers' Commissions, under sales in the suburbs and outside the suburbs, provides a higher rate of commission on "Factory Property" than on "Improved Property." As the question has arisen as to what constitutes "Factory Property," the Commissions Committee of the Exchange submits that the **character and location of the buildings** should determine this, rather than the particular use made of them at the time of sale.

When the building is of a special type designed to be used as a factory or plant and is not adapted or suitably located for general use the property should be considered "Factory Property" and should carry a 6 per cent. commission, as it is obvious that the limited uses of the property make it harder to sell.

When the building is of a usual type which is adapted and suitably located for general mercantile, manufacturing or storage purposes, by one or more occupants, the property should be considered "Improved Property" and, being more salable, should carry the lower rate of commission provided in the schedule.

If there is any doubt as to the proper classification of such a property which is offered for sale the broker would do well to have this point settled in advance. If desired, the Commissions Committee will render an opinion on any such property.

-

PART ONE

Relations of Brokers with their Clients and Customers

I. SERVICE

1. A client is entitled to the most diligent effort in his interest and the fullest information and best advice which his broker can give.
2. A customer is entitled to careful consideration of his requirements, reliable information and such helpful suggestions as a broker may properly offer.
3. A broker should promptly submit to his client all reasonable offers, from whatever source received.
4. A broker should read the legal papers which pass through his hands and should offer suggestions which seem advisable to make them conform to agreements which have been reached without, however, assuming responsibility for their sufficiency.
5. A broker should advise a purchaser to have the title to property examined by a competent conveyancer.
6. A broker who has negotiated a sale should offer to prepare a statement of adjustments for approval by all parties concerned before the time for passing title.
7. A broker, when asked to appraise or give advice on real estate, should not make a hasty or ill considered reply, but should either decline to act or take time to acquaint himself with the matter thoroughly before rendering a report or opinion; and should make a fair professional charge for such a service.

II. EMPLOYMENT

1. The listing of property with one broker as sole representative of the client is strongly recommended because it establishes a more professional relation between the client and his broker, entitles the client to the fullest advantage of his broker's knowledge, advice and service, places responsibility for results and prevents complications with other brokers. Efficiency of service is assured by co-operation between brokers as hereinafter set forth.
2. A client should make clear to a broker whether or not he is employed as sole broker.
3. A broker should establish clearly who is his client and should always keep in mind the relations of broker to client and of broker to customer.
4. A broker who is employed to negotiate in the interest of a buyer or lessee should disclose that fact to the seller or lessor; and the employer, being the client, should agree to pay the broker's commission.

III. QUALIFICATION

1. Acceptance of a listing as sole broker should be an assurance to the client of good facilities for accomplishing desired results and of diligent effort toward that end.
2. A broker should not list property as sole broker when not qualified and equipped to render efficient service, but should refer the client to a broker who can render such service.
3. A broker should inspect property listed by him so that he may advise his client intelligently and avoid misrepresentation to customers.

IV. SIGNS

1. Displaying the signs of more than one broker on the premises cheapens the property and may lead to complications. Displaying the sign of only one broker is recommended.
2. A broker should not display a sign on property without his client's consent.
3. A broker's sign displayed alone on the premises should denote sole authority to represent his client for the purpose indicated by the sign (unless the client is a recognized operator) and should be so understood by the client.

V. COMPENSATION

1. Clients should respect the established Schedule of Brokers' Commission.
2. A broker should receive his commission from his client and should not accept compensation from any other party to the transaction without his client's knowledge and consent.
3. Brokers should not be required to share their commissions with any persons other than recognized brokers who are not acting as principals.

VI. PROTECTION

1. A client who has placed his property solely in the hands of one broker for a specific purpose should refer to him all inquiries relating thereto.
2. A client should take care that information which he supplies to his broker is correct and complete.
3. A customer dealing with a broker regarding certain premises should not, while the matter is pending, enter into similar dealings with another broker regarding those premises.
4. Clients and customers should not misuse information received from brokers.

5. A broker should not definitely offer property without authority to do so.
6. A broker should not buy from his client property placed in his hands for sale, nor sell his own property to a client who has engaged him to purchase, without the client's knowledge and consent; and in such cases the broker should not charge a commission.

VII. ARBITRATION

1. A disagreement which the parties themselves are unable to settle should be submitted to the Arbitration Committee of the Boston Real Estate Exchange for decision. Litigation should be avoided.

PART TWO

Relations between Brokers

I. CO-OPERATION

1. A broker should always be ready to deal fairly and frankly with another recognized broker in a mutual endeavor to serve the respective interests of their clients and customers.
2. A broker should not express unwillingness to deal through another broker when requested to do so by a client or customer, nor should he solicit, directly or indirectly, any business of a client or customer which is solely in the hands of another broker.
3. A broker dealing through another broker should not, without the latter's consent, approach that broker's client or customer in regard to the pending transaction.
4. A broker should give to an offer received through another broker the same treatment and consideration as if it had been obtained by himself.

II. INFORMATION

1. A broker should, on request by another broker and when consistent with his client's interest, give accurate information in regard to a specified property listed solely with him and afford opportunity to show the same.
2. A broker accepting information from another broker should make only such use thereof and quote only such terms as are authorized, and in giving such information to a third party should endeavor to safeguard the rights of the broker who gave the information.
3. A broker volunteering information about property which is not in his hands, to another broker, should so state and should not expect that broker necessarily to deal through him regarding that property, unless it is so agreed.
4. A broker dealing through another broker should not disclose his customer's name until he has obtained a proposition to submit, unless requested to do so.

III. LISTING

1. A broker should carefully list property received through another broker, recording that broker's name and the date.
2. A broker, when asked to list premises which have been solely in the hands of another broker, should treat the listing as coming through that broker, unless the client, of his own volition, is terminating that broker's authority to represent him or, in special cases, arranges with both brokers that either may represent him.

IV. SIGNS

1. Brokers should encourage the practice of having the sign of only one broker displayed on the premises.
2. A broker should not disregard another broker's sign but, for the purpose indicated by the sign, should deal through that broker if he has sole authority to represent his client.
3. A broker usually should not display his sign alone on the premises unless he has sole authority to represent his client for the purpose indicated by the sign.
4. If a broker's sign is displayed on the premises of a recognized operator other brokers may go directly to that operator.
5. If a broker's sign is displayed with that of an owner or lessee other brokers may go directly to that owner or lessee.
6. In special cases the display of the signs of more than one broker may be authorized, if mutually agreed to by the brokers involved, in which case other brokers may go to either of them.

V. COMMISSIONS

1. Brokers should maintain the established Schedule of Brokers' Commissions.
2. Brokers who work together on a transaction should usually share the commission, when received, in halves. Brokers negotiating an exchange of properties, however, should not pool and divide their commissions without the consent of their respective clients.
3. A broker receiving compensation from a buyer or lessee should not claim a share of the commission paid by the seller or lessor.
4. A broker dealing through an agent who is also a recognized broker should accept a half commission, but when dealing through an agent who is not a recognized broker is entitled to a full commission.
5. The mention of a prospect's name should not be held to establish a claim to a share of a commission. Effective participation in the work of conducting and closing the negotiation should be the grounds for sharing the commission, except in a case where by agreement one broker assumes charge of the entire negotiation.
6. A broker is not obligated to another broker for bringing him a customer after the consummation of the first transaction resulting from that introduction.
7. Brokers should refuse to share commissions with any persons other than recognized brokers.

VI. INTERFERENCE

1. A broker should not, without good and sufficient cause, speak disparagingly of another broker, nor attempt to interfere with another broker's deal except as may occur through the offering of more attractive propositions in fair competition therewith.

VII. CONCILIATION

1. A disagreement between brokers regarding the ethics of a transaction should be submitted for advice as to its fair settlement, by requesting the Chairman of the Brokers' Board to appoint two or more members of the Committee on Ethics to give such advice, before resorting to arbitration. Litigation should be avoided.

Who Are Realtors?

REALTORS are real estate brokers or agents who are active members of a local Real Estate Board which is connected with the National Association of Real Estate Boards. They are licensed to use this designation by the National Association, whose exclusive right to the use of the term has been upheld by the Courts.

When you deal with a Realtor you obtain the services of an accepted member of a local Real Estate Board. That in itself gives assurance.

If there should be grounds for complaint against a Realtor you can appeal to the Board of which he is a member. That is a protection.

The standards of the National Association call for honesty and efficiency on the part of its members. That means dependable service.

In Massachusetts the following Boards are members of the National Association and their active members only are Realtors.

BOSTON REAL ESTATE EXCHANGE
BROCKTON REAL ESTATE BOARD
CAPE COD REAL ESTATE BOARD
CHICOPEE REAL ESTATE BOARD
FALL RIVER REAL ESTATE BOARD
GREENFIELD REAL ESTATE BOARD

WAR STAMP TAXES

1. The provisions in relation to the War Stamp Taxes of 1926.
2. The following stamp taxes are of interest to Real Estate Brokers and Agents:

Bonds, to secure mortgage indebtedness or other bonds to secure indebtedness and each renewal thereof. Taxable only when issued by corporation. The term "corporation" includes associations, joint-stock companies, and insurance companies. No stamp tax applies to such instruments issued by individual after March 28, 1926. Each agreement extending time of indebtedness must be stamped like an original bond under the provision relating to renewal. The stamps should be affixed to the counterpart of the extension agreement retained by the creditor or mortgage holder and a notation of the fact that this counterpart is stamped should be made on the one delivered to the debtor or owner of the premises.

Amount of tax 5 cents on each \$100 of face value, or sum for which a penal bond is conditioned.

Capital Stock—On each original issue 5 cents on each \$100 of face value or fraction thereof, represented by each certificate of stock and 5 cents on each share of stock issued without face value, unless the actual value is in excess of \$100 per share, in which case the tax shall be 5 cents on each \$100 of actual value or fraction thereof represented by each certificate, or unless the actual value is less than \$100 per share, in which case the tax shall be 1 cent on each \$20 of actual value, or fraction thereof. In addition, stamps of the value of 50 cents or more shall have three parallel incisions made with some sharp instrument lengthwise through the stamp after the same has been attached to the certificate, or bill, or memorandum. The stamps on original issues shall be attached to the stock books and not the certificates.

On all transfers of stock, including each delivery, and including each memorandum of transfer or sale, 2 cents on each \$100 of face value or fraction thereof; or, where stock is without par value, 2 cents on each share unless the actual value is in excess of \$100 per share, in which case the tax shall be 2 cents on each \$100 of actual value or fraction thereof. This tax does not apply to deliveries as collateral security for money loaned nor to deliveries to brokers for sale.

Stamps are to be placed upon the certificates or agreements of sale of stocks.

3. Stamp taxes are to be paid by the person who signs or issues the taxable instrument. The validity of the instrument is not affected, but the person who signs or issues an instrument, without the full amount of stamps thereon and the person who accepts such an instrument are declared to be guilty of a misdemeanor and shall pay a fine of not more than \$100 for each offence.

4. Stamps are to be cancelled by writing thereon the initials of the person using the same and the date so that the same may not again be used and the Commissioner of Internal Revenue may prescribe additional methods for cancellation.

GENERAL INFORMATION

AIR MAIL POSTAGE

The air-mail postage is now 10 cents a half ounce anywhere in the United States or its possessions, regardless of distance, whether carried on a Government-operated or contract route. The postage covers all transportation from the sender to the addressee. Special air-mail stamps are issued, but any ordinary stamps good for postage, may be used. If ordinary stamps are used, the envelope must be marked "Air-Mail."

LIMIT OF WEIGHT AND SIZE

Any mailable matter, except that liable to damage by freezing, will be carried by airplane, including sealed parcels not exceeding 50 pounds in weight and not exceeding 84 inches in length and girth combined. Live domestic animals are not admissible to the air mails.

AIR MAIL STAMPS AND ENDORSEMENTS

Special air-mail stamps are issued and should be used when available. Ordinary stamps, however, may be used. All air mail should be suitably endorsed "Via Air Mail." The words should be plainly marked in the space immediately below the stamps and to the right of the address. Foreign mail should be endorsed to show the port of departure, if known: "Via Air Mail from San Francisco," "Via Air Mail from Seattle," etc.

REGISTRATION

Mail for dispatch by airplane service will be accepted for registration upon prepayment by postage stamps affixed. Limit of weight, 50 pounds; of size, 84 inches in length and girth combined. The registration fee for mail sent via airplane is 15 cents for value up to \$50.00, and 20 cents for value from \$50.00 to \$100.00, in addition to the airplane postage of 10 cents for each half ounce, plus a 3-cent fee when a return receipt is desired.

SPECIAL DELIVERY

The use of special-delivery stamps, in addition to the air-mail postage, will insure prompt delivery at office of address, particularly between carrier trips and after last carrier delivery of the day. Delivery may be had in Hartford, Conn., the same evening, but not in New York City.

INSURED AND COLLECT-ON-DELIVERY MAIL

Insured and collect-on-delivery mail (third and fourth class matter exclusively), notwithstanding the parcels are sealed, will be accepted for transmission via airplane. Weight limit, 50 pounds; size limit, 84 inches length and girth combined. Limit of collection on C. O. D. parcels, \$100.00. The regulations for ordinary insured and C. O. D. mail apply also to C. O. D. and insured air mail.

Postage is the same as domestic air-mail rates for those countries having 2-cent conventions with the United States. For all other countries, 3 cents for the first ounce or fraction, and 1 cent for each additional ounce or fraction, in addition to the air-mail postage.

Airplane postage, as well as the foreign postage applicable, must be fully prepaid. Mail for foreign countries sent via United States Air Mail Service is subject to the specifications and conditions prescribed for the respective countries. **Unless the air mail fees, plus the foreign postage, are fully prepaid, such mail will not be forwarded by air mail.**

Trans-Pacific air-mail letters should be endorsed "Air Mail via San Francisco," or "Air Mail via Seattle, Wash.," etc., if the sailing port is known. Otherwise they will be routed to first available steamer.

PREPAYMENT OF POSTAGE ON AIR MAIL

The postage on air mail should be fully prepaid in order to expedite its handling, and patrons should endeavor to prepay the full amount on air-mail matter. Neverthe-

less, short paid air mail intended to be carried by airplane shall, if it bears at least 10 cents postage, be rated with the deficiency and dispatched as intended by the sender, the amount due to be collected on delivery of the matter. When less than 10 cents is paid, it will be sent in the ordinary mail.

ENVELOPES OF DISTINCTIVE DESIGN

Special envelopes are not required. However, in order to facilitate identification of air mail, envelopes of a distinctive design may be used. Such envelopes are **not** furnished by the post office department, but any patron may have envelopes printed for his own use, conforming to the following specifications:

Such envelopes must be white, no other color permissible. The outstanding feature of such envelopes will be blue, white and red stripes, in the order named, drawn horizontally across the full length of the envelope. The stripes must be not less than 1¼ inches below the top of the envelope and approximately ¼ inch in width.

Envelopes of such design may be used for AIR MAIL ONLY. Their use for other classes of mail will not be permitted.

Air mail envelopes should bear the return card of the sender in the upper left corner of the address side.

FORWARDING AND RETURNING AIR MAIL

Air mail may be forwarded to the addressee by the same means where the delivery of the matter will be expedited if carried by air, without payment of additional postage. Undeliverable air mail will not be returned by air mail without payment of additional air-mail postage.

TO MEMBERS OF THE BOSTON REAL ESTATE EXCHANGE

IN accordance with an authorized agreement made with the various firms in the building trades who have taken space in the "Book of Assessed Values of Real Estate in Boston," for 1927, the Boston Real Estate Exchange maintains a file wherein each advertiser is listed according to the trade he represents.

As no new advertising was solicited from anyone not known to one or more members of the Exchange, each of these advertisers automatically acquires a reference which appears against each name in this file.

It is the desire of the Exchange that all members who have work which can be done by any of these advertisers should refer to this file and give these firms an opportunity to bid on it.

The attitude of these advertisers is now most cordial and their good-will, helped by successful advertising, is the means of increasing the income of the Exchange from this source from time to time.

Furthermore, you can find reliable firms to do your work by using this list. Just telephone the Exchange (Hubbard 5220), and the information will be given you.

Consult a Realtor

When you deal with a Realtor you obtain the services of an accepted member of a local Real Estate Board. That in itself gives assurance.

If there should be grounds for complaint against a Realtor you can appeal to the Board of which he is a member. That is a protection.

The standards of the National Association call for honesty and efficiency on the part of its members. That means dependable service.

All Realtors in Boston are members of the Boston Real Estate Exchange and of the National Association of Real Estate Boards, and are bound by its rules and adhere to its code of ethics.

A vintage 1927 calendar with a decorative border. The central title "Calendar, 1927" is prominently displayed in a large, stylized font. The calendar is organized into a grid of months, with each month's name at the top of its respective section. The days of the week are abbreviated as S, M, T, W, T, F, S. The dates are arranged in rows, with some dates appearing in multiple rows due to the layout. The calendar is framed by a decorative border with repeating patterns.
